Dear Helen,

Barbara Bechtle and I are happy to recommend Dominion Title to any one of our peers. We have been very satisfied with your services and will continue to use your company for our real estate settlements. It's a great feeling scheduling a closing knowing it will be handled smoothly and professionally. That is what keeps us coming back to Dominion Title with our clients.

Time and time again you have shown your expertise with the many questions or issues that can arise. We can count on Dominion Title being thorough and responsible, and best of all we know you will go the extra mile when any additional information is needed. For example, often we need to know the settlement costs ahead of time, and your company will quickly send us a draft HUD statement.

You are always prepared for the closing when we arrive and if any glitches happen during the closing it is handled smoothly and with a smile.

We feel that Dominion Title has a great group of personable people to work with, and when we call we can always get someone to help us. We are very pleased to use Dominion Title and would recommend them to anyone needing their services.

Sincerely,

Ellie Bechtle
