

Recommendation for Marilyn Brennan

Realtor

Long & Foster Realtors

"Marilyn Brennan has assisted many of my Virginia clients over the past 10 years. She is a Virginia Realtor and I am a Maryland Realtor, so we have been a great referral resource to each other. We share the same work ethic, so it is comforting for me to know that my clients are in excellent hands. I have the utmost respect for Marilyn and it's a pleasure being associated with her. All of my clients have been extremely happy with Marilyn's real estate services and I will continue to refer business to her." *January 11, 2009*
